Save time, gain control, look professional, and create a better experience for your community.

STREAMLINE

Why districts choose Streamline

→ Compliance

Built-in online compliance checklist presents all known legislation affecting your district in one dashboard.

→ Ease & Control

Anyone can confidently update the website design and content without waiting for a third party.

→ Online Payments

Built-in online payment collection system allows you to collect bills, sell products, and gather donations through your site.

→ Community Engagement

Email campaign tools and web forms make it easy for your district to interact transparently with your community.

→ Accessibility

All websites are ADA compliant and have a built-in ADA assistant to automatically resolve most accessibility issues.

→ Unlimited Support

Free and unlimited training and support. When you reach out for help, a real human will get back to you in less than an hour.

Easy to use, and all in one place. Subscriptions start at $18/mo.
